**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I value the ability to have a choice of internet providers and hope that you ensure that right. Competition is the best method to manage the internet and provide innovation and fair pricing. Broadband internet service is no longer a luxury but an necessity today. For the right to use our property for their facilities, open access is a reasonable accommodation.

Thank You,

Thomas Vargo
